The Lake Poinsett Sanitary District is pleased to provide the Lake Poinsett Lakewide Cleanup

Beginning June 22, 2026

All residential property owners that have garbage through the Lake Poinsett Sanitary District (LPSD) are welcome to participate. Items must be placed at the side of the road in front of your residence by 6 A.M. on June 22nd. Please do not start placing items out for collection until the week before the cleanup. The LPSD and Brookings Dumpster Service (BDS) reserve the right to decline picking up any piles that do not meet the conditions outlined in this flyer.

**ALL ITEMS MUST BE SORTED AND SEPARATED  
MIXED PILES WILL NOT BE PICKED UP**

Acceptable Items:

**WOOD:** needs to be cut into manageable sizes of 4 feet in length, at maximum

**GLASS:** all items containing glass must have it removed and placed in a separate container

**FURNITURE:** (no mattresses) do not allow these items to become saturated with water

**CARPET:** must be cut into manageable sizes

**APPLIANCES:** stoves, microwaves, water heaters, ect. (excluding items containing freon)

**IRON / SCRAP METAL:** must be sorted and in manageable sizes

**EQUIPMENT:** all fluids and liquids must be drained; oil, gasoline, ect.

**MISC. MATERIALS:** no contaminants, paint cans cannot contain wet pain

**GENERAL WEIGHT RESTRICTION RULE:** "If you can't lift it - we can't either"

**Unacceptable Items:** yard waste, household refuse, hazardous waste, waste oil, liquid paint or chemicals, items containing freon, batteries, branches, tires, concrete, mattresses

Remodeling and construction materials are not allowed unless prior arrangements are made with BDS before the cleanup date. Extra fees apply.
