

Best Things To Do At The Lake

THERE'S SOMETHING ABOUT LAKE TIME THAT GETS US ALL EXCITED.

START YOUR DAY

Waking Up for a SUNRISE

Watching the sun come up over the water can be an awe-inspiring experience. Sip some Good Morning coffee or hot chocolate on the deck or dock.

WATER SPORTS

Boating, Fishing & Tubing

While on your boat, you absolutely have to go tubing! It's exhilarating.

Paddleboarding & Kayaking

These are great water activities - you get in a workout and still have fun while doing it.

Swim, Snorkel & Splash

Swimming is always enjoyable! It keeps you cool and refreshed.

Float & Vegetate

If water sports aren't your thing, blow up a float and just veg out. Enjoy the peace and tranquility of the water.

Expand Your Play Area

Visit **LAKE POINSETT STATE RECREATION AREA** for 9 Hole Disc Golf, Sand Volleyball, Hiking Trails, Picnic Spots, and room to run. See the Harlan Olson's Early Native American Display at the Park's Visitor Center. There is an entrance day fee \$8 per car, unless you have a State Park sticker.

MEALTIME

Dockside Drinks

While sitting on the dock, sip something tropical, enjoy the cool breeze, and watch the boats pass by.

Go Out for a Drink or Meal

There are several options for restaurants and pubs around the lake. Some offer live music on weekends.

Take a Dinner Cruise.

Create a personal dinner cruise (In your own boat). Enjoy the lake with a sunset backdrop and a pizza to go. It takes your dining experience to the next level.

Cookout

Fire up the grill! The easiest and best lakeside dinner is a cookout. Nothing beats dining by the water.

DRY DOCKED ACTIVITIES

Sun Basking

If the water is too cold, get some sun by laying out by the lake or on the dock. Just don't forget sunscreen!

Arts & Crafts

Paint? Knit? Or do any other making or creating? Share your talents and be creative with your friends.

Read a Book

Take out that book you've been working through and settle down for a good, solid read.

Lakeside Games

Beach volleyball, horseshoes, cornhole, and any other backyard game becomes more enjoyable playing at the lake. Once you've worked up a sweat, you can take a quick dip in the lake to cool down.

Take a Walk

Put on your sneakers and walk along the Lake Drive. Take in the scenery and breathe in all of the fresh air.

Enjoy the Sunset

The sunsets on the lake NEVER GET OLD. Remember to also watch the sunlight reflections on the water's surface.

AFTER DARK

Marshmallows & Bonfires

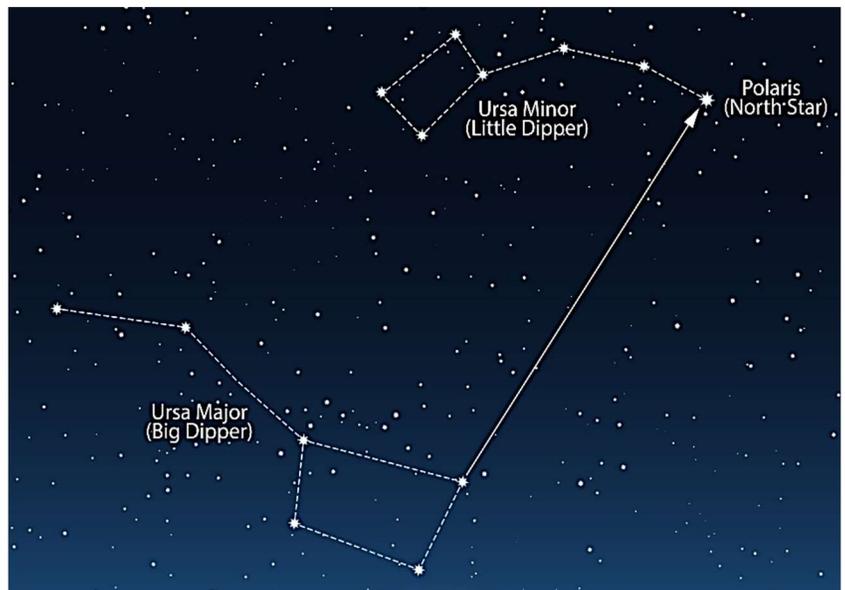

Gather around the firepit with family and friends - tell stories, reminisce, and catch up. Maybe roast a marshmallow or two! Having a fire keeps you toasty while you're still outside enjoying the fresh air.

Late Night Stargazing

When the sun has set completely, go outside, and look up. Lakes are a special place to go stargazing - there are no city lights around, so the stars shine more brightly. Lay down by the water, listen for the gentle lapping of the waves and nightly animal sounds. Give it a try.

Look for these things with your naked eye:

- Blinking lights from a passing plane
- Shooting stars/meteor – a bright flash
- Milky Way – a long misty band
- Note the phase of the moon
- Passing Satellite – steady movement
- Constellations
 - Big Dipper – 7 stars
 - Small Dipper – 7 stars
 - North Star – a.k.a. Polaris
